CERTIFICATE UNDER 37 CFR §3.73(b)

Dear Sir:

Hewlett-Packard Company, organized and existing under the laws of the state of Delaware and having a business address of Hewlett-Packard Company, Intellectual Property Administration, P.O. Box 272400, Fort Collins, Colorado, 80527-2400, certifies that it is the assignee of the entire right, title and interest in the patent application identified above, by virtue of an assignment from the inventor(s) of the patent application identified above. The assignment is attached herewith.

I, the undersigned, have reviewed all the documents in the chain of title of the reissue patent application identified above and, to the best of my knowledge and belief, title is in the assignee identified above. I am empowered to act on behalf of the assignee.

I hereby declare that all statements made herein are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both under §1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,

REISSUE APPLICATION BY THE ASSIGNEE
OFFER TO SURRENDER PATENT

Dear Sir:

This is part of the application for reissue patent based on the original U.S. Patent No. 6,152,443, issued to David Claramunt and Luis Hierro for "OPTICAL DEVICE FOR DETECTING THE PRINTING MEDIA IN PRINTERS" and granted on November 28, 2000.

Hewlett-Packard Company is the assignee of the entire interest in the original patent.

I hereby offer to surrender the above-identified original U.S. Patent. A certificate under 37 CFR 3.73(b) is attached hereto. I am authorized to act on behalf of the assignee.

I hereby declare that all statements made herein are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both under §1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
